Dear Mr. Leisering,

We are currently in the process of notifying all of our Remington  
Authorized Repair Centers about the Safety Modification Program. All of  
these repair centers should be notified by Friday at the latest. McBrides  
should be able to perform this for you. If you have any further problems,  
please let us know and we will be happy to assist you.

DEAR SIR: I HAVE A 700 BDL THAT IS AFFECTED WITH THIS SAFETY MODIFICATION  
PROGRAM AND UNDER "HOW TO PARTICIPATE", I CAN TAKE IT TO A AUTHORIZED  
REPAIR CENTER, OR SHIP TO THE REMINGTON FACTORY. I CALLED MCBRIDE'S INC.  
HERE IN AUSTIN, TEXAS, (THEY ARE ON YOUR LIST) AND THEY TOLD ME THEY WERE  
NOT PARTICIPATING IN THIS PROGRAM, AND THE MANAGER SAID I WOULD HAVE TO  
SHIP TO THE FACTORY. I KNOW FROM EXPERIENCE, THAT THIS IS A REAL PAIN,  
FINDING A BOX AND TAKING OFF WORK TO TAKE IT TO THE UPS SHIPPING POINT. IS  
THERE ANYONE ELSE IN THE AUSTIN AREA THAT WILL TAKE CARE OF THIS? THANKS  
IN ADVANCE FOR YOUR HELP.
