Dear Mr. Mullins,
We are in the process of notifying all of our Remington Authorized Repair Centers regarding the Safety Modification Program. We regret that you are experiencing problems with your firearm. Based on the information you have provided, we suggest that you send your firearm to our Ilion, NY facility.

For U.S. repairs, please follow these guidelines:

1. Record the serial number of your firearm before sending it to us.
2. Pack your firearm for safety and to prevent further damage in shipping and handling. Preferably, ship in a firearm box.
3. Remove all accessories from your firearm to prevent loss or damage.
4. Enclose a letter with the firearm detailing the model name or number of your firearm and serial number along with a full description of the problem. Be sure to include your full name and address (P.O. Box and Street Address), including zip code, daytime telephone number, and e-mail address.
5. Ship your firearm by either United Parcel Service (UPS) or Parcel Post (US Post Office). Remington is not responsible for damage or loss during shipment, so you may elect to purchase insurance from your carrier.
