Thank you for your inquiry, from the information provided your firearm was produced in or about 1979. Dear Sir,

If you will complete the form located through the link below we will forward to you a copy of the original owner's manual.

You can also find owner's manuals for some of our current models on-line in our Reading Room in the "What's New" Section.

You may find information on a safety modification program that we are offering for pre-1982 Model 700's by clicking on the link below:

I just bought a used Remington 700 L.H. Bolt action 30-06. The serial number on the barrel is A6793741. Can you tell me the the year this gun was manufactured?

Thanks,

Gary
