Dear Steve,

Please call the repair center direct at the following numbers. They should be able to send the coupon direct from there. We appreciate your participation in our Safety Modification Program and your support of Remington products.

Northern Virginia Gun Works, Inc
7518-K Fullerton Rd.
PO Box 128
Springfield, VA 22153
Phone: 703-644-6504
Fax: 703-569-6411

I sent 2 of my model 700 rifles back to your repair center in Springfield Virginia and had great 2 day turnaround. When will I receive my certificates for Remington safety items? All I received back was my repaired rifles. Thanks Steve Long
