Dear Mr. Romero,

This is in reference to your previous email and phone message regarding your Model 660. There has been a recall on some of these models. We have complete details regarding this program through the front page of our website or through the link below:

What types of career opportunities are available at Remington. I will be graduating in May from Southeast Missouri State University with a degree in Integrated Marketing Communications. I am an avid outdoorsman and hunting enthusiast looking in for a career with the two things I love. Any information you could send me would be greatly appreciated. Thanks again,

Keith Johnson
