If you will complete the form located through the link below we will forward to you a copy of the original owner's manual.

You can also find owner's manuals for some of our current models on-line in our Reading Room in the "What's New" Section.

We also wanted to make you aware of a Safety Modification Program that we are having on these firearms. You can find more information regarding this program through the front page of our website at [www.remington.com](http://www.remington.com).

Acquired subject firearm as part of an estate. Equipped with Weaver K10 Scope. How can I get operating manuals, technical info, etc. for both rifle and scope?

Thanks  
Greg Johns
