Dear Dave & Lisa,
Thank you for your inquiry. We want to make you aware of a Safety Modification Program that we are having on this firearm. You can read all of the information regarding this program through the front page of our website at www.remington.com.

Due to the many variables involved with valuation, we would encourage you to refer to the many publications that are available on the subject of gun values or have it appraised by a collector. Many of these books are available through public libraries or local bookstores. For your convenience we have provided a listing of the more popular books:
