Dear Mr. Alphin,

Thank you for your inquiry. According to the information provided, your firearm was manufactured in or around 1967. There was a recall on certain Model 600 rifles. You can read all of the details regarding this recall and how to determine if your firearm is included through the front page of our website at www.remington.com or through the following link:

I recently purchased this rifle and it is in excellent shape. I had a gunsmith look at it and he said that it had been sent back to the factory for a recall on the safety.

I would like to know the age of this rifle and any history that might help. It is a 243 caliber.

Thank you for any assistance that you may be able to provide.
wes Alphin Sr.
