welcome to Remington Country and thank you for your inquiry. We will be
glad to send the ISS keys to you today, you should receive them with in 7
to 10 business days.

Again, we thank you and appreciate your support of Remington products.

I purchased today my Remington rifle. After bringing it home a reading
the owners manual I found it made reference to 2 "J - Key" tools that
should have come with it. It did not. My understanding is this key is
required for the new safety mechanism on my rifle. The Sports Authority
(where I purchased from) recommended that I contact you. Can you help me?

Sincerely,
Garry Sandt
