Dear Matt,

welcome to Remington Country & thank you for your inquiry. We do not have
a call back on the Model 721. We are only offering an optional update on
the gun. The following link will provide you with the proper information.
http://www.remington.com/Safety_Modification_Program/721_722.htm

The update is the only service that we can provide at the factory on the
Model 721.

Dear Sir,

We no longer house any parts for this model. For your convenience we have
included a link below to a list of establishments that may offer parts or
services for your older Remington firearm:
