Dear Renee:

Thank you for your inquiry. Your firearm was not subject to any recalls however, your firearm is subject to the Bolt Lock Modification. You may read about the bolt lock modification through the link below:

http://www.remington.com/Safety_Modification_Program/remington_safety.htm

We hope that this information is helpful to you, if you have further questions feel free to contact us.

Is there a recall for the 700BDL, 270 caliber, rifle due to a faulty lock mechanism.

Thanks for any help!

Renee Swiggum
