Dear Reid,

2/3/2005 3:30:45 PM

We no longer house any parts for this model with the exception of the actual trigger because of the recall on some. For your convenience we have included a link below to a list of establishments that may offer parts or services for your older Remington firearm:

<http://www.remington.com/support/parts/obsolete.htm>

Additional information regarding parts and service can be found in our Support Section under "Obtaining Services".

Well thats a relief, i figured to get this resolved i might not see my gun in time for this years deer season. On a separate note,can i buy a new trigger gaurd for this gun from your company, and if so how would i go about doing so? [ and of course about how much would it cost?].Reid.
