Dear Ryan,

Welcome to Remington Country!

We would like to speak to you in more detail regarding your inquiry. If you will please contact our Parts & Repair Department with your SERIAL NUMBER, at 1-800-243-9700 Mon-Fri 9-5 EST, our representatives can assist you with this matter. Please have the serial number of your firearm available when you call.

Thank you and have a good day!

Can you tell me how I can decern if the Mohawk 600 .222 i recently purchased has had the trigger repair performed? I am concerned that several of my Mohawk riffles have not had the issue with the safety and accidental discharge.
