Dear Sebastian, Welcome to Remington Country. Please contact our parts and repair department at 1-800-243-9700 so that we may assist you with this issue. Please have your serial number available at the time of your call

Customer (sebastian gulizia) 11/21/2005 3:21:58 PM I own a Rem. Mod. 660, and you say you will modify it for a total charge of \$20 +tax; however, since there is no recommended repair facility in Nebraska, I must send it to So. Dakota for repair. Will you pay for shipping both ways also?
