

**Remington
International Sporting Products**

WIN ★ 2006

- Beginning In 2006 The Spartan Gunworks Product Offering Will Be Folded Into The Expanded Remington ISP Line Of Global Products.
- SKU Numbers And UPC Codes Will Remain The Same.
- Model Names Will Remain The Same And Designated As Remington SPR Models.

**Remington
International Sporting Arms**

WIN ★ 2006

- **“Why Is Remington ISP Being Created vs. The Continuation Of Spartan Gunworks?”**
 - We Currently Utilize All Of Remington's Existing Resources To Market Spartan Firearms.
 - The Nature Of Spartan Products Were Pigeon Holed Into The Entry Level Price Point.
 - We Decided That Since Our Sourced Product Lines Have To Meet Remington Standards They Deserve To Wear The Remington Name.

**Remington
International Sporting Products**

WIN ★ 2006

- Strategy – “To Partner With Manufacturers Worldwide Who Demonstrate Key Competencies In Their Specific Product Lines. Affording Our Customers A Broadened Remington Product Offering And Our Consumers The Highest Quality And Value Of Any Internationally Produced Firearms.”

**Remington
International Sporting Products**

WIN * 2006

• **Components To Making this Successful.**

- Utilizing Remington Brand Awareness By Marketing The Firearms As Remington Branded Products.
- Partnering With Manufacturers Who Are Experts At What They Do.
- Products Are Held To The Same Quality Standards As Our Domestically Produced Products
- Target Specific Products That Compliment Our Existing Offering.
- Use Remington's Existing Infrastructure (ie. Sales, Marketing, Customer Service, Advertising, And Logistics) To Support The ISP Product Line.
- Take Advantage Of The Lower Cost Of Production To Offer Consumers The Highest Value Product At Retail.

**Remington
International Sporting Products**

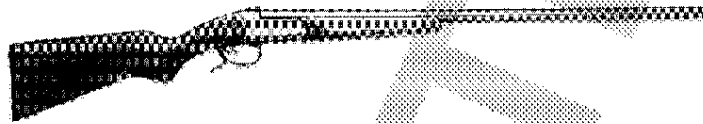

WIN ★ 2006

- ISP Products Will Be Held To The Same Testing Standards As Remington's Domestically Manufactured Products
 - Firearms Measurements (Ex. Safety Operating Forces, Trigger Pull)
 - Functional Tests (Ex. Out Of Battery, Fire Control Check)
 - Accuracy Testing (Ex. POI, POA, Group Size)
 - Live Fire Functional Tests (Ex. Proof, Functional Test)
 - Environmental Requirements (Ex. Hot, Cold, Debris, Solvent)
 - Abuse Testing (Ex. High Pressure, Drop, Jar Off, Rotation)
