What's your thoughts on it? Did you check with credit? Did he advise you that the check was cashed?

> Henry from Henry> 's Trap and Skeet wants to know what happened to the check he sent to the  
factory for the safety modification program. The check number 1529 dated November 10th. The reason  
he is asking is because he had to pay UPS a C.O.D. charge for the repair. Please advise. Thanks!
