John:

Jim will put together a presentation, send it to you copying me and then we can walk through it together. The presentation Jim sends you will probably be more technical in nature than you really want, but I would rather work at cutting it back than leave something out you might have really found important.

Talk to you tomorrow

Danny & Jim,

Any help you guys could give me on a PR/Writer Friendly presentation on the SPL would be appreciated. Jon Sundra is the "scoop" writer that will break the story.

Thanks,
