Subject: RE: New M700 Fire Control

You are good to go on any 700 Police Rifles. This will include all line guns and specials.

This does not include 40 X or M-24 rifles at this time as these take a different trigger group anyway.

Subject: New M700 Fire Control

Greg,

We are planning to change all M700 style firearms to the new fire control this fall, including LE rifles.

Let me know if you have any issues.
