Subject: RE: Remington Products In Whitetail Journal

Stuart,
My apologies for the delay in responding but both Eddie and I thought that this had been taken care of.

If we are not too late, please feature the new Model 700 SPS line and Premier Core-Lokt Ultra ammo. I have attached the releases. Please follow up with Eddie if you need any additional info or images as I will be traveling the rest of this week.

Best regards,
Linda

Hi guys, sorry to be a bother, but I need to check on the status of the below request. We're coming down to production time, and I'd really like to include Remington. Thanks. If I can be of further assistance, please don't hesitate to ask.

Hi Eddie and Linda,

I have another favor to ask of you both. The Whitetail Journal Buyer's Guide is in production, and I would like to promote Remington products within its pages. Do you mind sending me the press items Remington is currently marketing, i.e. rifle, ammo, etc.? I sure appreciate it. Thanks so much.

Stuart
