Yes,
We can put in a transfer. If the gun is there they should be able to ship it to us.

Be sure the ship point on the order is CST

Hey Tim,
Can you handle this inventory transfer (movement) from OHL to Ilion? That way, we can get this gun to you soon and out to Mr. Gilleland. Please let us know.

Thanks,

Wouldn't that be handled as some kind of inter-company transfer? From OHL to Custom Shop?

Hey Annette,
Pls see Bonnie's e-mail below re: order 699146...I just spoke w/Bonnie and it looks like it be awhile before there is more production of 26333 (October, I believe) so if we could somehow have the 1 gun

that is in blocked status at OHL shipped from OHL to Tim in Ilion so that he could install the 40-X adjustable target trigger, that would be great. Will that work? Please advise.

Thanks!

The 26333 in Blocked in at OHL. This order drops on Custom Shop. In order to assign the one at OHL, the order would have to drop on OHL. Unless there's some reason this order has to come from Custom Shop, you could have Annette change the shipping point on the order to OHL and then I could assign. The 26333 at OHL would be a standard production firearm, nothing custom about it.

Hi Bonnie,
There is one in blocked status and we need it for a VIP order, 699146. If we can have this, please assign and let me know.

Thanks so much,
