Subject: 2.05 PTM Agenda

I have added a couple of items to the agenda that have surfaced since it was published.

1. Scoped Combo Box Concern
2. Steel guard/floorplate for M700.

Also, we have a 105 CTI discussion schedule for 3pm tomorrow afternoon. Upon conclusion of that meeting, we would like to work to cover some of the PTM agenda. Maybe an hour or two. We can discuss either rifles or shotguns, Ilion crew determine amongst yourselves who is best suited to stay if there are no objections to doing this.

Thanks,

JT
