Ken; Cahan, Paul L.; Perniciaro, Stephen; Nagle, Thomas J. Subject: Quality Meeting Reminder

Our meeting is scheduled for 12/8/2004 at 11:00 and if you cannot attend, please let me know as soon a possible.

Ken Nickerson would like to discuss some feedback the is receiving from the field regarding the action bars on some 870's.

Attached is the summary from our last meeting and a list of the tap repair codes used from 1/1/2004 -11/30/2004. The report reflects date produced and date repaired totals in separate columns. The serial number tab shows a list of the guns sent in including senal number for date produced codes. This is a combined list of factory and RARC repairs

Steve to provide gallery target and testing spreadsheet.

Bob Orf to provide results of drop test
