Subject: Revised Remington Rifle Releases

Revisions are in red. On several of these, there is only one small change, such as a missing TM or an incorrect dimension. Call me if you want to review them over the phone. I will have my lap top at home this weekend, so if you are working on these, I can take a look at them.

NOTE - I did not send a revised Model 504 in 17Mach2 as that release is perfect.
