>> Dear Dr. Berczi,

Your firearm has been repaired.  
Unfortunately, we cannot ship it  
directly back to you. The export of a  
rifle from the U.S.A. requires an  
export license on our end. I have  
contacted our warranty repair gunsmith  
in your province: GENE'S GUNSMITHING in  
Selkirk (tel: 204-757-4413).  
I spoke with Gene Gunning, the  
gunsmith,  
and he has agreed to secure the  
necessary Canadian documents that will  
allow me to apply for an Export license  
in the U.S.A. If you ever have a  
problem or need a repair, I recommend  
that you contact him first, before  
sending your firearm outside of Canada.  
I tried to reach you at your home  
telephone and spoke with a very nice  
lady who only speaks Hungarian.  
Unfortunately, I cannot converse in this  
language and was unable to leave a  
message. I tried your office telephone  
204-789-3996. I spoke with a lady at a  
medical facility who assured me that you  
are unknown there. Please contact me  
when (if) you receive my email to  
discuss your rifle repair.
