Yes, we did receive the presentation, and reviewed it quickly before
our lunch break.
Thank you very much.

This may have already been requested, but the "imbedded" files are not
linked or triggered by the "click boxes."
If you could get those to us at your earliest convenience, John Trull
and Greg Foster will make sure all is approved on our end.

Again, thank you very much for your prompt transmission. Please feel
free to contact me if you have any questions or problems or if I can be
of further assistance.
