Subject: RE: Repair # 62195 (Ken Young)

Done. He should know that we did replace the trigger each time at no charge. My understanding is that this is a new style trigger without the bolt lock.

Please remove the charges from this repair.
He is raising holy hell, because he sent gun to us in 2001 & we did not do the bolt-lock mod. He stated that he has not adjusted the trigger & he will go on every internet chat room & complain.

Thanks,
Dell Marie Clifton
