

CONSUMER TEAM MEETING

12/13/01

- **Safety/Injury Calls and the Model 710 - Ken**
If a consumer calls with a safety concern, (ie FSR, fires when closed, personal injury or property damage, etc), these calls AND firearms do to Dennis or Fred.
- **R-Accounts and Drop-shipping - Karan J.**
Please remember that we can not drop ship on an R account.
- **Employee of the Quarter Program - John**
What do you not like about this program? What do you like?
- **Birthdays for 2002 - John**
Do we want to change/keep doing what we are doing/discontinue?
- **Christmas Cards from Consumer Services - John**
We have 10 cards to send to individuals/other depts./businesses. Who do you like enough to send one to?
- **Remington Country Show**

FOOD FOR THE HUNGRY

On a very special edition of Remington Country, we'll visit with a man who's helping farmers and hunters share nature's bounty with those in need of a meal. We'll follow his program's process from harvest to table and show how some concerned outdoorsmen are making a major difference in the world.
