Since we removed the piece of debris from the bolt and found the rifle to function normally in every respect, we are prepared to return it to you in its present condition. However, if you desire, we will install a new trigger assembly at no-charge, as a gesture of good-will, if it will restore your confidence in the rifle. We will await your decision and reply.

Thank you for affording us the opportunity to examine the rifle and report our findings.

Sincerely,
