Dear Remington,

15 Jan 89

The headlines of the local newspaper boldly proclaimed that a local resident had won a \$750,000.⁰⁰ suit against Remington after he shot himself in the foot. Mr. Campbell, is not known locally for his brilliance, and not many were surprised to learn that he was able to shoot himself in the foot.

The article on the front page of the "Kodiak Daily Mirror" said that the safety of the Remington rifle was at fault. Anyone who has learned the basic rules of firearms safety knows that that cannot be true. I personally feel that the safety is far from being effective. I have learned this from both personal experiences and from fellow hunters that have had "bad" experiences with your
