Dec. 8, 1988

Dear Sir:

Enclosed is a Remington 700-270 Win.
Ser.#6318804. Our customer complains that
it discharged as he went to lift the bolt
to unload it and shot a hole in the pick-
up.

We cannot duplicate this, so are sending
it to you for evaluation & estimate to repair.
Thanks.

Yours Truly

Glenn Mulholland
