MAIN FAULT

Sent to Stekh for evaluation - no fault
with rifle - functioning normally in every respect. This rifle appears
to be in very good condition. It does not appear there have been field
leaving factors.
Trigger pull 4 1/2 pounds; rear sight - 0.13"

PARTS

COMMENTS

Offer the following option:
1) to return rifle as-is
2) to install a new trigger assembly at
normal cost, as a gesture of good-will
if that will better restore confidence in
the rifle.
