April 5, 1979

J. A. Stekl, Supervisor  
Firearms Product Service  
Remington Arms Company  
Ilion, New York, 13357

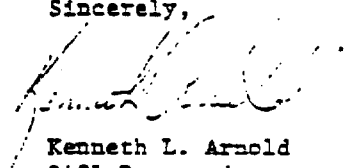

Dear Mr. Stekl,

I have hesitated in replying to your letter of March 16, 1979 to give myself time to study the text of your message.

I hardly see any point in replacing the trigger assembly but the offer to do so is appreciated.

Please return the gun "as is" and accept my thanks for your cooperation.

Sincerely,

Kenneth L. Arnold  
3401 Rustwood  
Lufkin, Texas 75901
