ATTN: MR. William L. Ericson

On August 3, 1992 during a phone conversation with you and Jim Steckle I was told that a full test report would be sent to me in one or two weeks regarding the gun I sent in accordance with your letter dated April 14, 1992. I have not received any communication or test report from Remington since then and I am disturbed that Remington doesn't seem to be very concerned about this situation.

MR. ERICSON I ask that you send me a written reply along with the full test report within one week.

Sincerely,
Thomas Chetton
