Dear Sir,

I have had a problem with this
weapon. It is necessary to take
the safety off to unload it. When
I lifted the bolt, the weapon
went off. I feel it is unsafe
to use this way. I took it
to a gunsmith, Les Heston. He
called you and you requested to
see it. I'm hoping you can correct
the problem. I will be expecting to
hear from you as soon as possible.
Thank you for taking care of this.

Respectfully,
Robert Davis
