

hang up and resulted in the malfunctions you experienced. I'm sure you realize that a firearm, like any fine piece of machinery, needs a certain amount of preventative maintenance and cleaning to insure proper operation.

Since we found the trigger assembly to function properly, we can either clean the present assembly or, if it will better restore your confidence in the rifle, we will install a new trigger assembly at no-charge, as a gesture of good-will (either option is subject to a \$10.00 handling charge plus return postage). We will await your decision and reply.

Thank you for affording us the opportunity to examine your rifle and report our findings.

Sincerely,
