days to repair. I feel that it would
be in Remington's best interest to
repair and return the rifle to us
in a matter of a few days rather
than weeks, because in this country
Remington is the most popular brand
of gun available, but their reputation
for giving poor service is building
up at an astounding rate! Here's your
chance to get a good word in for your-
self.
Your cooperation will be appreciated.
Thank You
