Dear Sir:

Enclosed is a copy of my
repair bill which resulted from the
discharge of my Model 600 on Oct. 26, 1986.
I have paid the bill in full, \$753.95 and now
request reimbursement from Remington
in full.

Also I am very interested in the
new Model 7 with a fiberglass stock.
Please send me information: cost, specs.,
and availability.

Thank you
