Dear Mr. Fink:

This is in reply to your December letter forwarded to this plant by our former plant location in Bridgeport, CT. Our apologies for the tardy reply.

A check of our records shows your Model 660, serial #121033, received a new trigger on 11/15/78 from Stratton's Hunting & Fishing, a Remington Model 600 series repair station located in Audubon, New Jersey. That trigger should have performed excellently in every respect.

Therefore, we are most interested in examining your Model 660 with an eye toward duplicating your recent alleged accidental firing incident. With this in mind, we ask that you package your rifle and send it via United Parcel Service, Transportation C.O.D., to:

Remington Arms Co., Inc.  
Product Service Dept.  
RUSH Attn: J.A. Stekl  
14 Hoefler Ave.  
Ilion, N.Y. 13357

To expedite our receipt and disposition of your rifle we've enclosed three blaze orange stickers which you should affix to both butt ends and to the top of the outside of the package. Kindly also include a copy of this letter in with the gun.
