J.A. STEKL

Dear Mr. Stekl,

Pursuant our telephone conversation about the claim, I'm willing to accept two (2) rifles but I would like to change them to Model 700 Mountain Rifles in .338 Win. Mag and .375 H&H Right Hand Models.

The change is due to the velocity of the .35 whelen wasn't great enough and I would like two (2) big game guns.

Please help me do get these and I appreciate your time and consideration into this matter.

I'm notarizing this letter as a release along with the Release form.

I'd appreciate speedy shipment as I'd like to sight them in before season.

Sincerely

D.C. Fletcher
