

Dear Sirs:

I have had this rifle
Remington Model 700
Serial No. 311272 since
it was new about 25 years.

This rifle has fired
twice upon release of the
safety in that period of
time. I understand this
is a problem with early
Model 700's.

I would appreciate
it if you could rectify this
situation.

I called and they told
me to ship this back to you.

Thank you
L. Sue V. Greenway
