K. D. GREEN

Dear Mr. Potter,

Thank you for examining and identifying the problem with my .270 caliber rifle, Model 721, serial number 127904. Although the problem has been identified and corrective action could be taken I would not feel comfortable shooting the rifle even after repairs were made.

Therefore, I accept your offer to purchase directly from you a new 700 ADL at the price of \$207.00 and have enclosed a check for this amount. However, instead of a .270 I would prefer to purchase a 30.06 caliber. If this can not be done then send the .270.

My old rifle has sling mounts and Weaver scope mounts on it. Please remove these and send them back to me with the new rifle.

I would greatly appreciate your expeditious handling of this matter since I am anxious to familiarize myself with the new rifle prior to hunting season.

Sincerely,

Michael G. Hales
