

Wm. H. Mant.

Nov. 2 1929.

Dear Sir,

Dear Sir,

This gun discharged accidentally
in the process of unloading.
The butt was open and the shell
striking when it discharged, the
butt coming back and hitting
me in the face also punctured bone
and scalp. I went to a safe
house and was treated.

Yours sincerely,

Wm. H. Mant.

Red-spell, Toronto 59901
