

GUN DISCHARGED, VENTILATED THE FLOOR-BOARD AND KNOCKED MY LEFT FOOT & LEG UP AGAINST MY CHEST. NEEDLESS TO SAY I HAVE RECEIVED MUCH KIDDING FROM STEVE AND MY HUNTING COMPANIONS ABOUT KILLING THE BIGGEST TROPHY EVER TAKEN ON ROCKHORN MOUNTAIN - THAT OLD 3/4 TON PICK-UP.!

SUMMARY: UPON RETURNING TO MY HOME STATE OF ALABAMA, I TOOK MY OLD RIFLE TO HUGHES GUNSMITH SHOP, RTE. 2, BOX 108, VALLEY HEAD, AL 35989 (205) 845-4445 (RON HUGHES, OWNER) FOR REPAIR. AFTER APPROX. TWO WKS. MR. HUGHES CALLED AND TOLD MY MY RIFLE WAS READY, IN A-1 CONDITION, AND WOULD NOT "FIRE AT WILL". TAKING HIS WORD THAT MY GUN WAS TOTALLY, ABSOLUTELY, WITHOUT QUESTION SAFE TO GO AFIELD WITH, I MADE A TRIP TO OKLAHOMA FOR THEIR DEER.
