

GUN SEASON. MY GRAND-SON (HAD NEVER FIRED MY TRUSTY GUN, SO I GAVE HIM 3 SHELLS TOLD HIM TO CHECK MY SCOPE ACCURACY. HE INSERTED THE TH CARTRIDGES INTO THE CLIP, PUSHED INTO THE CHAMBER, CLOSED THE BOLT, AND IT FIRED - FORTUNATELY INTO THE GROUND OUT IN FRONT OF HIM! STUNNED, AND A BIT MORE SURPRISED, HE VERY EASILY EJECTED EMPTY CASE, PUSHED THE 2ND CAR INTO THE CHAMBER AND CLOSED BOLT. EVERYTHING OK! AIMED AND FIRED AT HIS TARGET. SCORE 1. SO HE PREPARED TO FIRE THE LAST ROUND. EJECTED EMPTY, WORKED THE BOLT, PUT THE SAFETY IN "SAFE" POSITION AND STOOD THERE FOR A WHILE UNTIL I STOPPED SHAKING. AIMED RIFLE AT TARGET, PUSHED THE SAFETY TO "FIRE", AND RIFLE DISCHARGED PREMATURELY!
