Dear Mr. Johnson:

It has come to our attention through Mr. J. Gourley of Federal Ammunition that you have a Model 700 BDL which, allegedly, fires upon safety release.

As this situation concerns us, we ask that you package your rifle and send it, via UPS, transportation C.O.D., to:

Remington Arms Company, Inc.  
Product Service Dept.  
Attn: Mr. R.H. Potter  
Ilion, New York 13357

Please boldly mark both butt ends of the package "Rush to R.H. Potter" for faster service. Our experts will then examine your rifle, and I will provide you with a full report of their findings.

We apologize for the inconvenience on your part, Mr. Johnson, and thank you for indirectly calling the matter to our attention. We look forward to being of service to you.

Sincerely,

A handwritten signature in black ink that reads "R.H. Potter".

R.H. Potter, Supervisor
