Dear Mr. Stekl:

I would like to thank you very much for the letter advising me of the problem with my rifle. As you advised me in your letter you would replace the present trigger assembly with a new one at no-charge. I would appreciate it very much if you would do this. I would feel much more secure if this would be done.

Thank you again for all your help in this matter.

Sincerely yours,

Raymond J. Krautbauer
