Problem: The gun will go off even when the safety is ON.

REPAIR & RETURN

TOTAL NUMBER OF PACKAGES OR CARTONS RETURNED _____ TOTAL →

Comments: This gun has been sent off twice before for the same problem. The customer is very unhappy with the gun. Please repair or replace.
Magne Hunt 425

~~GENERAL OFFICERS:~~

When the safety of a Model 700 rifle is in the "safe" position, the firing pin is blocked, and it is not mechanically possible for it to fall unless the safety is moved to the "fire" position and the trigger pulled.

Paul Kiki
