Subject Gun Repair

This is Mr. L. R. Pannells Gun, that he has had for a few years. The safety malfunctioned when he took it off safety and discharged three times while the gentleman was in his stand when a deer came out on the same deer trip. Please check it out and repair under warranty. Also, the bolt release isn't working properly either, please check out also.

P.S. He still killed the deer, also his stand!
