

I have used this weapon. I am an experienced hunter (47 years at hunting), & have owned numerous Remington weapons. I can think of no other explanation for this mis-fire other than that aired recently on "60 minutes".

On calling your customer service dept & explaining this situation, they suggested I send the weapon to you & that it would be given a thorough inspection & maintenance to insure its safety. As I'm sure your aware, this is both your companies & my
