Dear Mr. Moore:

Thank you for your recent letter regarding your recent experience with your Remington Model 700 RDL rifle.

We sincerely regret the unfortunate incident and were glad to note that no one was injured. This is not representative of Remington quality.

In this connection, please return the rifle to Mr. E. Sienkiewicz, Remington Arms Company, Inc. Ilion, New York 13357, either U. S. Government Mail insured or via UPS transportation C.O.D.

Upon receipt, it will be gone over completely by our technicians, and we will give you a full report of our findings and will discuss the matter further at that time. We are fully covered by insurance, and if at fault, will have our insurer contact you.

Thank you, Mr. Moore, for bringing this matter to our attention and we look forward to receiving the rifle in question.

Sincerely,
